Supplementary Notes to the Financial statements to 31-03-2022

Supplementary notes, initial part

ATANOU S.r.l.

Financial Statements at 31st March 2022

These explanatory notes to the financial statements are integral part of the financial statements to 31st March 2022.

The financial statements are written in abbreviated form because the limits provided by art. 2435-bis of the Italian Civil Code were not exceeded for two consecutive years.

The financial statements comply with the requirements of articles 2423 and following of the Italian Civil Code and with the national accounting standards published by the Italian Accounting Board; therefore, they describe, clearly, truthfully, and accurately the assets and financial situation of the company and the economic outcome for the fiscal year.

The contents of the balance sheet and income statement are those required by articles 2424 and 2425 of the Italian Civil Code.

The explanatory notes to the financial statements, prepared as per art. 2427 of the Italian Civil Code, also contain all information useful to provide a correct interpretation of the financial statements.

In addition, this document shall provide the information requested by numbers 3 and 4 of art. 2428 of the Italian Civil Code because, as allowed by art. 2435-bis of the Italian Civil Code, the management report was not prepared.

Publishing principles

The valuation of the items in the financial statements was carried out in compliance with the principle of prudence and with a view to continuing the business. Pursuant to art. 2423-bis par.1 point 1-bis of the Italian Civil Code, the recognition and presentation of items is carried out taking into account the substance of the transaction or contract. In the preparation of the financial statements, the charges and income were recognized according to the principle of competence regardless of the time of their numerary manifestation. It was also held account of risks and losses for the year, even if known after the close of this.

Applied evaluation criteria

The information contained in this document is presented in the order in which the relative items are indicated in the balance sheet and income statement.

With reference to what is indicated in the introductory part of these explanatory notes, we certify that, pursuant to art. 2423, paragraph 3 of the civil code, if the information required by specific legal provisions is not sufficient to give a true and correct representation of the company situation, complementary information deemed necessary for the purpose is provided.

There have been no exceptional cases which made it necessary to resort to exceptions pursuant to art. 2423, paragraphs 4 and 5 and art. 2423-bis paragraph 2 of the civil code.

The financial statements, as well as the notes to the financial statements, were drawn up in Euro units.

In accordance with article 2427, paragraph 1, n° 1 of the Italian Civil Code, the most significant valuation criteria adopted in observance of the provisions of art. 2426 of the Italian Civil Code are shown, with special reference to the balance sheet items for which the law allows several valuation and adjustment criteria or for which no specific criteria are provided. The criteria applied in the valuation of the balance sheet items and in the value adjustments comply with the provisions of the civil code and the indications contained in the accounting principles issued by the Italian Accounting Board. They also did not change compared to the previous year.

Other Information

Structure and content of the Financial Statements

The balance sheet, income statement and accounting information contained in this additional note is in accordance with the accounting records from which they were directly drawn.

In the presentation of the balance sheet and the income statement they have not been made groupings of items preceded by Arabic numerals, as instead optionally provided for in the article 2423 ter of the Italian Civil Code

Pursuant to art. 2423 ter of the civil code, it should be noted that all the items in the financial statements were comparable with the previous activities; there was therefore no need to adapt any item of the previous year

Pursuant to art. 2424 of the Italian Civil Code, it is confirmed that there are no assets or liabilities that fall under more than one item on the face of the financial statements.

Currency valuation

The company did not possess any receivables or payables in a foreign currency at the fiscal year's closing date.

Transactions with grant back obligation

In accordance with art. 2427, n° 6-ter, the company certifies that, during the fiscal year, the company did not perform any transaction subject to the grant back obligation.

Supplementary notes, abbreviated, assets

The values entered as assets in the balance sheet were valuated as required by article 2426 of the Italian Civil Code and in accordance with the national accounting standards. The criteria applied in each case are indicated in the sections concerning the individual entries.

Current assets, abbreviated

The elements of the current assets are valuated as required by numbers 8 to 11-bis of article 2426 of the Italian Civil Code. The criteria utilized are indicated in the sections of the respective financial statements' items.

Supplementary notes, abbreviated, liabilities and net equity

The entries of the equity investment and the liabilities of the balance sheet were entered in accordance with the national accounting standards; the criteria specifically applied are indicated in the sections concerning the individual entries.

Shareholders' equity, abbreviated

The items are entered in the financial statements at their accounting amount based on the indications contained in OIC accounting standard no. 28.

Payables, abbreviated

The items are entered in the financial statements at their accounting amount based on the indications contained in OIC accounting standard no. 28.

Payables of duration of more than five years and payables assisted by real guarantees on company assets, abbreviated

Pursuant to and for the purposes of art. 2427 c.1 n.6 of the civil code, it is certified that there are no debts with a duration of more than five years and debts secured by real guarantees on corporate assets.

Supplementary notes, abbreviated, income statement

The income statement shows the economic result of the year.

It provides an overview of management operations by means of a summary of the components positive and negative income that have contributed to determine economic performance. The components positive and negative income, entered in the budget in accordance with Article 2425-bis of civil code, are distinguished according to the belonging to the various management: characteristic, accessory and financial.

The characteristic activity identifies the income components generated by operations that occur continuously and in the relevant sector for the performance of the management, which identify and qualify the peculiar and distinctive part of the economic activity carried out by the company, for which the same is finalized.

Financial assets are made up of transactions that generate financial income and charges.

On a residual basis, the ancillary activity is constituted by the operations that generate income components that are part of ordinary activity but do not fall within the characteristic and financial activity.

Cost of production, abbreviated

The costs and charges are attributed on accrual basis of accounting and according to their nature, net of returns, allowances, discounts, and premiums, in compliance with the principle of correlation with the revenues; they are entered in the respective items as required by accounting standard OIC 12. The costs incurred to purchase goods are entered when the substantive, not the formal transfer of the ownership title occurs; the reference parameter for the substantive transfer is the transfer of the risks and benefits. When services are purchased, the related costs are entered when the service is received, that is when the service has been performed; in the case of ongoing services, the related costs are entered for the portion accrued.

Financial income and charges, abbreviated

Financial income and charges are entered on accrual basis of accounting based on the portion accrued during the fiscal year.

Amount and nature of the single income/cost items of exceptional size or effect

No revenues or other positive components derived from events of exceptional magnitude or impact were recognized during the current fiscal year. No costs derived from events of exceptional magnitude or impact were recognized during the current fiscal year.
